The workshop brings together scholars to discuss frontier research in the field of economic growth, macroeconomic dynamics, and trade. We are planning six presentations per day, each followed by a discussion. The workshop is open to the public. (The premises of the workshop will be announced on this site).

If you plan to attend please send an e-mail to Maurizio.iacopetta@skema.edu.

It follows a list of invited people who are planning to participate:
Philippe Aghion, Harvard University
Ufuk Akcigit, University of Pennsylvania
Mario Amendola, University of Rome
Davide Fiaschi, University of Pisa
Elie Gray, ESC Toulouse
Peter Howitt, Brown University
David Mayer-Foulkes, Centro de Investigación y Docencia Económicas (CIDE), Mexico City
Raoul Minetti, Michigan State University
Antonio Minniti, University of Bologna
